Dear Sirs,

S.S. "JALAGANGA"

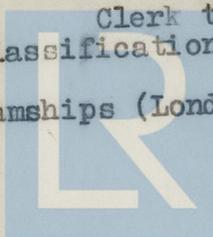

(H)

With reference to your letter of the 3rd February last, and previous correspondence, I shall be glad if you will kindly let me know what arrangements have now been made for the Main Boiler Survey, partly held at Calcutta in July, to be completed by the examination of the port and starboard boilers throughout and the adjustment of the safety valves of all boilers. At the same time perhaps you will kindly let me know what arrangements are proposed for the Special Survey to be held before the end of February next.

Yours faithfully,

Clerk to the  
Classification Committee.
