QUESTION

ANSWER

With reference to the entry
in Return of Vessels under
for the quarter ended December
I shall be glad to learn whether
vessel is about to be recommissioned
whether the Boiler Survey is
carried out whilst she is
up.

If the former is the case the
Shaft Survey became due at the
April and this inspection
be carried out before the
proceeds to sea.

The Special Survey will
be due at the end of April next.
