Dear Sir,

With reference to your classing letter of the 31st ultimo relating to the Steamer "CAPE DREPANON", Dublin Report No. 9070, I wish to acquaint you that the whole of the Engine Survey was completed at this time, and the two boiler oil fuel heaters, the feed water heaters and the fire extinguishing arrangements were examined.

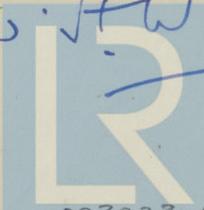

It is regretted that these items were omitted from the report.

Yours faithfully,

*Feb 13/61*

The Secretary,  
LONDON.
