Dear Mr. Hill,

I confirm the telegrams which have passed between us to-day reading as follow:-

Received:- "Brunswick Greenock Report 18952
Ownership given on reports disagree
stop kindly wire correct title"

Sent:- "Brunswick Owners Atlantic Oil
Shipping Company".

On enquiry of the Builders, I find that the vessel was originally registered as owned by the Atlantic Refining Co. but that subsequently a new holding Company was formed called the Atlantic Oil Shipping Company and this latter Company should be recorded as Owners of the vessel.

Yours faithfully,

J. L. Warlow.
