14th September, 1928.

Dear Mr. Warlow,

I am much obliged to you for your telegram in reply to mine respecting the Ownership of the Steamer "BRUNSWICK".

It is a curious thing, however, that the Atlantic Oil Shipping Co. is not in the Appendix, and that all the other reports on the case give The Atlantic Refining Co. Ltd. as the Owners.

We do not want to make a mistake in the posting which starts on Monday morning, so that if, after all, the Ownership should be recorded as The Atlantic Refining Co. Ltd. will you kindly send me a wire in the morning.

While I am on this subject, you might call Mr. Dobson's attention to the Ownership of the Steamer "BANGALORE", Glasgow Report No. 48310, as the firm of E. Hain & Son has been out of existence for a long time.

You can quite understand that if these errors get into the First Entry certificates it means re-writing the certificate, which takes a considerable time.

With kindest regards,  
Yours faithfully,

P.L. Warlow, Esq.,  
GLASGOW.
