

m. tanker "DRUPA"

Mr. Barker of the Anglo-Saxon enquired whether the Builders have paid the classification fees.

I informed him that we had received no office returns from Hamburg relating to the war period and may never do so; but information we had received from the Hamburg Bank showed that several large fees were collected in the first few months of the war and the "Drupa" may quite well have been one of them.

Discussed with Deputy-Chairman. ~~Nothing~~
considered it was felt best to take no action.
We do not want to enquire of our former
surveyors of German nationality and even
if the money had been paid to them it has
not yet - and probably never will - reach
