Dear Mr.Barwick,

Thank you for your letter dated 26th February.
I am sorry I am so late in replying, but I have had to do a
lot of running about.

Regarding "DRUPA", our new ship which was
built by Deutsche Werft, the Builders are liable for payment
of Classification Fees under contract and specification.

If you have not yet received the fees, I am
afraid we can do nothing on this side, and it must be left
for adjustment later having regard to existing conditions.

With kind regards,

Yours truly,

Chueen
