Dear Sir,—

Ship No. 806 Harland & Wolff, Ltd. "Highland
Chieftain".

We have received through our Belfast Manager account from your Office there for fees for survey of the refrigerating plant fitted in this ship, and we have today forwarded to your Belfast Office a cheque in payment of same.

We enclose for your information copy of our letter.

We shall be much obliged if you could arrange to forward the Certificate direct to Messrs. Harland & Wolff, Ltd. in order to avoid delay in receipt of the same by them as they wish to have this Certificate in their hands as soon as possible.

Yours truly,
