# Lloyd's Register of Shipping.

Port PORT SAID

23rd January, 1949

**This is to Certify** *that I have*

*Surveyed the Steel Sc. Steamer "THAUMASTUS" 10670 tons gross*

*register of London whilst lying afloat at Port Said on the 16th January 1949 and subsequently for damage to bottom plating in way of Fore Peak Tank stated to have been sustained as a result of vessel grounding during a passage of the Suez Canal on the 16th January 1949,*

*and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all <sup>temporary</sup> repairs*

*recommended by me have been completed to my satisfaction, and*

*that I have Recommended that she be continued as at present classed in the Register Book without fresh record of survey, subject to damaged bottom plating in way of Fore Peak Tank being specially examined and dealt with as found necessary when present cargo is discharged at a United Kingdom port where the vessel is stated to be proceeding. Under water structure to be specially examined for possible damage due to grounding and damaged bottom plating in way of Fore Peak Tank and structure in way to be permanently repaired upon the next occasion of dry docking. Supply 30 fathoms of cable at first opportunity as previously recommended. being fit to carry Petroleum in bulk.*

*J. de Noly*

Surveyor to Lloyd's Register.

Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—  
The Committees of the Society use their best endeavours to ensure that the functions of the Society are properly performed. It is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Members or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
