15th August, 1960.

Dear Sirs,

asn. (H)

M.S. "DONACILLA"

With reference to my letter of the 11th December last, I shall be glad if you will advise me as to your intentions with regard to the Special Survey, which will become due at the end of September, as the Society's Surveyors at Singapore have informed this Office that the ship has been withdrawn from service and laid up since May in the Eastern Anchorage at that port.

I also take this opportunity to remind you that the Screwshaft Survey became due at the end of July and the Donkey Boiler Survey will become due at the end of the present month. Information as to your intentions with regard to these inspections will also be appreciated.

The class of the ship is at present continued subject as previously stated in my communication referred to above.

Yours faithfully,

Clerk to the
Classification Committee.
