

Lloyd's Register of Shipping.

"Broströmia," Packhusplatsen 6,

Gothenburg, 12th January, 1935.

The Secretary,

LONDON.

Dear Sir,

I beg to acquaint you that we have to-day forwarded you, for consideration, under separate cover, a copy of each of the plans of Midship section, Longitudinal section and plans and General arrangement plan of the steamer "MAURITZ", No. 80987 in the Register Book, which was built at Bergen in 1916 to class in the Norwegian Veritas. + 1 A 1 107

As the Owner would prefer to have Lloyd's Register's class for this vessel instead of the Norwegian Veritas, he would be pleased to know if she could be classed 100A1 in this Society without any strengthenings of importance being required.

I am, Dear Sir,

Yours faithfully,

V. Bulow
