Dear Sir,

Ans.....

With reference to your letter of the 15th instant respecting the motorship "GARD" the owners state they were informed by the Copenhagen Surveyors that the ship was in very good condition and they have had no report from the master of any deterioration since.

They further state the recommended stiffening will be a heavy burden and they therefore trust that the stiffening may be put in abeyance at any rate until the next Special Survey when the question may again be considered.

I am, Dear Sir,
Yours faithfully,

S. A. Ride.

Surveyor to Lloyd's Register.
