Dear Sirs,

s.s. "NOEMI"

With reference to your letter of the 7th ult., we are instructed to advise you that Owners intend to sell the vessel in the Far East for scrap.

Owners, therefore, would appreciate if the present class could be extended for three to four months, permitting the Owners to make arrangements for the vessel to take a cargo on the way to the Far East and there deliver her.

If the sale will not go through, Owners would like to do all necessary to obtain a years grace.

The vessel is due beginning of June with a cargo of Ore at a West Coast Italian Port. Owner, therefore, hope the Committee will grant Owners requests either for one or the other requirements and await your decision.

Thanking you.

Yours faithfully,
S. CATSELL & CO. LTD.,

D

Director.
