Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

30th April, 1936.

Dear Sir,

With reference to Hamburg Report No. 21877
E. on the machinery of the s.s. "LIBERIAN", I have to say it is
concluded the internal diameter of the main boilers is 4400 mm.
and not 4000 mm. as reported, but I shall be glad if the
Surveyors will confirm this.

Further, the test sheets for the dynamos do not
appear to have come to hand, and these should be forwarded.

I am, Dear Sir,

Yours faithfully,

Secretary.

A. Chisholm Esq.,
HAMBURG.
