17th November, 1959.

Dear Sirs,

Motor Tanker "DEWDALE"

I acknowledge your letter of the 12th instant and in reply would inform you that for the issue of a certificate by this Society to cover a voyage to Hong Kong, it would be necessary for a General Examination to be made of the hull and machinery including a Drydocking Survey. A short sea trial should be held, together with the Donkey Boiler Survey which is considerably overdue.

If the above were to receive satisfactory attention, the Committee would be prepared to restore the ship's class for the voyage to Hong Kong via Suez direct within the next three months.

Yours faithfully,

Clerk to the
Classification Committee
