Dear Sir,

R.F.A. "DEWDALE"

We are interested in the Admiralty tanker
m.v. "DEWDALE" which is for sale.

We are contemplating purchasing this vessel
with a view to despatch to Hong Kong, via Suez, where the
vessel would be scrapped. The voyage would be completely
a ballast one.

However, according to our information, this
vessel is out of class, being expunged as and from October,
1959.

We should be obliged, therefore, if you could
grant a certificate to enable the vessel to proceed upon
this ballast voyage as mentioned.

We therefore look forward to your comments and
advice as to what may be required before the granting of
a certificate.

Thanking you for your co-operation, we are,

Yours faithfully,
For and on behalf of,
MOLLER LINE (U.K.) LTD.
