R.F.A. "DEWDALE"

We are interested in the Admiralty tanker M.V. "DEWDALE" which is for sale.

We are contemplating purchasing this vessel with a view to despatch to Hong Kong, via Suez, where the vessel would be scrapped. The voyage would be completely a last one.

However, according to our information, this vessel is out of class, being expunged as and from October, 1959.

We should be obliged, therefore, if you could grant a certificate to enable the vessel to proceed upon this last voyage as mentioned.

We therefore look forward to your comments and advice as to what may be required before the granting of a certificate.

Thanking you for your co-operation.
