N.S. Fuel 171/59/3A

26th October, 1959.

Dear Sir,

R.F.A. "DEWDALE"

The case of the above named vessel has now been under review by the Committee and as no further developments have arisen beyond those mentioned in your letter of the 24th July last, it has been decided to assign a notation of "Class suspended 10,59. - Surveys overdue": bearing in mind the fact that a Special Survey was due last July.

This suspension of class will remain whilst the ship is laid up, but it should be appreciated that if, for any reason, the vessel be recommissioned without the overdue surveys being held, the Committee will feel obliged to expunge the class owing to non-compliance with our Regulations.

Yours faithfully,

Clerk to the
Classification Committee

The Director of Stores,
Naval Store Department,
Admiralty,
Whitehall,
S.W.1.
