Dear Sirs,

Steamer "EAGLESDALE"

I acknowledge receipt of your letter of the 3rd instant, with its enclosures, the contents of which have been noted.

The thicknesses of plating as ascertained by drilling are considered to be in order and will be approved.

With regard to the second paragraph of your letter, respecting the plate in 'C' strake in way of No. 1 cargo tank, the thickness of this plate is considered to be adequate until the next Special Survey. The Special Survey notation could be assigned now, but the Dr notation withheld until the plate is renewed. (deck)

Yours faithfully,

Assistant Clerk to the  
Classification Committee.

The Surveyors,  
CARDIFF.

P.S. The First Entry Report and Plans of Midship Section, Profile and Deck and Shell Expansion are being returned to you under separate cover.
