Dear Sir,

Steamer "EASEDALE"

Reverting to your letter of the 10th November, I have to inform you that the case of this ship has been considered by the Committee at their meeting today and it has been decided to record a notation of "Surveys overdue 10.58" in the Society's Register Book.

As the ship is laid up, it may be that you would prefer that this should be reflected in the notation appearing in the Register Book and, if so, the Committee would be prepared to give instructions for a notation of "Laid up - Surveys overdue 10.58" to be recorded.

Yours faithfully,

Deputy Clerk to the
Classification Committee.
