20th May, 1958.

Dear Sir,

S.S. "EASEDALE"

Replying to your letter of the 13th May I have to acquaint you that, provided a satisfactory General Examination is carried out about the due date of the Special Survey, the Committee will be agreeable to the latter inspection being deferred on the understanding that it will be held by the end of October 1959.

It is concluded the Owners will arrange for the Steampipe Survey to be dealt with and for the Annual Load Line Survey to be held in conjunction with the General Examination, and I shall be glad if you will advise the Owners accordingly.

You will observe that the Screwshaft Survey becomes due at the end of November and the Boiler Survey at the end of December next.

Yours faithfully,

c. c. F
