Dear Mr. Lyle,

I am pleased to learn from your letter of the 19th that Mr. Ventouris has decided to submit the "PENNSYLVANIA" now named "PAN" to L.R. class when she comes to Cammell Laird's next month.

I have hunted up what I think should be a 'type' vessel, and am sending it to you officially.

Yours sincerely,

G. L. Lyle, Esq.  
LIVERPOOL.
