

Lloyd's Register of Shipping,

ENCLOSURE.

201, Tower Building,

RECEIVED Liverpool, 3, 3rd March, 1948.

- 4 MAR 1948

Dear Sir,

ANSD.....

I am in receipt of your letter of the 2nd instant, referring to Liverpool Report No.126369, on the Steamer "THALAMUS" and have to acquaint you I am advised by the Surveyors that the crack arresting straps require to be fitted and Circular.No.1871 complied with as regards the fore deep tank and oil fuel bunkers.

The First Entry Report is returned herewith duly signed, and I have to add that the particulars of the equipment will be forwarded as soon as obtained.

Yours faithfully,

Secretary to the
Liverpool Committee.

The Secretary,

LONDON.

will be forwarded as soon as possible.

I have to say that the importance of the education

The first Eurythmics is to be a good one and off the books.

combined with a lecture the tone good and off the books.

and the lecture is to be a good one and off the books.

and the lecture is to be a good one and off the books.

and the lecture is to be a good one and off the books.

and the lecture is to be a good one and off the books.

and the lecture is to be a good one and off the books.

and the lecture is to be a good one and off the books.

and the lecture is to be a good one and off the books.

and the lecture is to be a good one and off the books.

and the lecture is to be a good one and off the books.

and the lecture is to be a good one and off the books.

and the lecture is to be a good one and off the books.

and the lecture is to be a good one and off the books.

and the lecture is to be a good one and off the books.

and the lecture is to be a good one and off the books.

and the lecture is to be a good one and off the books.
