QUESTION

ANSWER

COPY TO PUBS.

Date: 23rd October, 1958

I shall be glad to learn what arrangements are proposed to be made to carry out the Main Boiler Survey which became due at the end of July.

I shall also be glad to learn the Owners' intentions with regard to this vessel being examined in drydock, it being noted that the last drydocking date is May, 1957.

We are informed by the Owners that this Vessel has been sold for breaking up purposes to Messrs. "A.R.D.E.M.", of Genoa, who confirm the above statement adding that the work of demolition will be probably commenced at Savona at the beginning of November next.
