Dear Sir,

A. In reply to the enquiry contained in your letter of the 17th instant, respecting the case of the new steamer "ARDGANTOCK" (Glasgow First entry report No.38834) I have to inform you that as the ordinary classification fees in this case as per Rule are in excess of those which would have been charged under the agreed arrangement for Standard Vessels, no special charge will be made to the Admiralty in this case, in respect of the work carried out to their instructions.

I am, Dear Sir,

Yours faithfully,

Secretary.,

The Secretary.,

GLASGOW.
