6th May, 1919.

Dear Sirs,

With reference to your first entry report No.15,581 on the S.S. "FELIXSTOWE", I have to request that you will be good enough to state whether the rivets in the butts of the sheerstrake are $7/8$ " in diameter as would appear to be the case from the breadth of the buttstraps given, or $3/4$ " as stated by you.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

LEITH.
