10 ENCLS.

Sir,

I beg to submit for the consideration of the Committee amended plans of Midship Section, Profile and Gangway doors and Masts for vessel No. 147 building by Messrs. Hawthorns & Co., Ltd., Leith.

The above vessel has been taken over from The North of Scotland, Orkney and Shetland Steam Navigation Co., Ltd., by The Great Eastern Railway Co., Ltd. of Parkeston Quay.

It will be observed the vessel is changed from a Shelter Deck to a Poop, Bridge and Forecastle Deck Vessel. The Builders would feel obliged for an amended provisional freeboard.

Reg. Dem. 215.1 x 33.2 x 16.05. Under Deck
Tonnage Approx. 754.

Original plans of Midship Section, Profile, Gangway Doors, Bridge Frames, Forgings and Pumping Arrangement enclosed herewith.

I am, Sir,

Your obedient Servant,

(Signed) J. R. HENDERSON.

The Secretary,

LONDON.
