LLOYD'S REGISTER OF SHIPPING

Port LONDON

7th June, 1957.

This is to Certify that I have

Surveyed the Boiler and Machinery of the T.S.S. "OTRANTO", 20051 tons gross of Barrow, on 5th & 6th June, 1957, whilst the ship was lying afloat in Tilbury Dock for General Examination of Main and Auxiliary Machinery Boilers,

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report stating that all recommendations made by me in connection therewith have been carried out to my satisfaction, and that I have

Recommended that the record of Machinery be retained without fresh record of survey and is considered to remain efficient for the passage from Tilbury to Faslane, Gairlock, R. Clyde to be broken up,

be made in the Register Book in the case of this vessel when the survey has been completed.

Parts now examined :—

Port and Starboard Main Machinery together with all Auxiliary Machinery under working conditions.
Six Main Boilers examined under full head of steam.

K. G. KIRBY. Engineer Surveyor to Lloyd's Register

Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be noted that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any error in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
