

"TITANIAN" - Bgn. Rpt.No.4361.

Before this case receives consideration
IT IS SUBMITTED the Surveyors be requested to
furnish the thicknesses of shell plating for
'J' & 'H' strakes (p & s amids) and also the
thickness of shell plating in way of forward and
after peak bulkheads as requested by Endorsement
dated 8.9.55.

The Surveyors should also be
requested to furnish the test particulars of the
bower anchor and 15 fathoms of chain cable now
supplied, also of the 30 fathoms of chain cable
renewed.

*See particulars
supplied 6.5.57.*
