INTERNATIONAL CONVENTION 1930 RESPECTING LOAD LINES.

RENEWAL SURVEY IN ACCORDANCE WITH ART. 14 OF THE CONVENTION.

(Port) of ROTTERDAM

(Date) 16th August 1935.

I have to report that I have surveyed the Dutch m.v.

"KOTA AGOENG" of ROTTERDAM O.N. --

on this date.

I have compared the arrangements on board the ship with those given in the original freeboard report and I have found them to be in agreement therewith or equivalent thereto, and the whole to be in efficient condition.

The Special Survey No. 1 has been completed at this time and the original freeboard certificates have been transmitted to the Dutch Authorities for extension by them until the end of the year of grace allowed for the next Special Survey, ult. August 1940.

The freeboard marking has been verified and found to agree with the freeboards given on certificate No. --- dated ----- issued by the Dutch Authorities.

~~which is returned herewith~~
