11th March, 1959.

Dear Sirs,

(H)

s.s. "TYNECASTLE"

With reference to your letters of the 24th February and 2nd March, it is noted that the vessel is still laid up at Peterhead and that arrangements are being made to commence the Special Survey shortly.

The Committee are agreeable to the class remaining undisturbed in the meantime, provided the outstanding surveys are carried out before the vessel again proceeds to sea.

I take this opportunity to point out that the Load Line Certificate expired on the 11th November, 1958, and it is concluded that a Renewal Survey will be held at the Special Survey.

As requested the deferred reports are returned herewith for reference.

Yours faithfully,

c.c. FBD.

Clerk to the
Classification Committee.

The Surveyors,
ABERDEEN.
