Dear Sirs,

s.s. "TYNDALL".

With reference to your letter of the 26th ult., we are at present awaiting a decision from our Principals, the Central Electricity Generating Board, on the future operation of the above ship.

Whilst we are aware that the Special Survey becomes due at the end of April, we would appreciate the Classification Committee giving us a deferment of two months to the end of June, 1958.

We would also like to defer the surveys on the main and donkey boilers until the same date.

Yours faithfully,  
For STEPHENSON CLARKE LIMITED.
