AIR MAIL.

7th October, 1946.

E Dear Sirs,

"RIVER CLARENCE", "RIVER MITTA"  
and "RIVER NORMAN".

I duly received your letter of the 18th ultimo with further reference to the refrigerating installations of the above vessels, from which I note that the reference in your communication of the 20th August last to the S.S. "RIVER BURNETT" should have read "RIVER NORMAN".

In the circumstances the case has been re-examined and it is found that the remarks contained in my letter of the 30th August last still apply without modification.

Yours faithfully,

The Surveyors,  
SYDNEY.

Secretary.
