Westblaak 32, P.O. Box No.701.

28th October, 1960.

Dear Sirs,

"ARGO DELOS".

In reply to your letter of the 25th October, 1960 concerning the above, we herewith inform you, that only starboard donkey boiler was surveyed at this port, for which survey the full fee of one donkey boiler was charged.

Safety valves have not been set at this port, while it could not be ascertained from the Chief Engineer, whose command of the English language was not great, where or whether the Port boiler had been surveyed.

We trust the above is the information required and remain,

Yours faithfully,

Signed .....

The Surveyors,  
GLASGOW.
