For the attention of Mr. Cook

Dear Sirs,

Application for Extension of Lloyds Register
for the "WORCESTERSHIRE"

We have recently purchased the "WORCESTERSHIRE" from Bibby Line for the breaking purposes on her arrival in Japan.

The "WORCESTERSHIRE" will be delivered to us by Bibby Line at the beginning of next week, and the name of the "WORCESTERSHIRE" will be changed to "KANNON MARU". The "KANNON MARU" will sail for Japan from Liverpool via Casablanca, and after loading cargo at Casablanca, she will discharge the cargo in Japan at three ports, and is finally expected to arrive at Osaka at the end of December, for the purpose of demolition.

The present Lloyds Register for the "WORCESTERSHIRE" will expire on the 24th November, and we shall be very pleased if you will kindly agree to extend the same for three months more.

We would again stress that we have no intention to use this steamer for transportation purposes after she arrives at Osaka, and when she has discharged all her cargo from Casablanca in Japan.

Thanking you in anticipation of your kind consideration,

We are,
Yours faithfully,
For C. ITCH & CO. LTD (LONDON BRANCH)
