Dear Sir,

m.v. "Worcestershire"

Thank you for your letter dated 26th July, in which you remind us that the Screwshaft Survey as prescribed in the Society's Rules will become due at the end of September next, and you further enquire what arrangements we have made to have the necessary inspection held.

We would reply that the above vessel has been sold to Japanese buyers for disposal of as scrap, with delivery to them in this country September/October of this year, hence, we do not anticipate carrying out the aforementioned Survey.

Yours faithfully,

JLS
