QUESTION

ANSWER

With reference to your Memorandum of the 13th April I shall be glad to learn what further arrangements are proposed to be made for this vessel to be examined in drydock and for the Boiler Survey to be completed.

The Boiler Survey was commenced at Leghorn last month, and to complete this inspection the centre boiler remains to be examined and the safety valves of all boilers adjusted under steam.

An early reply is desired.

Date:— 6th June, 1961

We are informed by the Owners, Messrs. Compania Atlantica Pacifica S.A., through their Agents in Genoa, that the above Vessel has been sold for breaking up to Messrs. Nichimen Company Ltd., Osaka (Japan), 15-2 chome, Nakonoshinis Kita-ku, and that the Vessel will be delivered to them at Osaka towards the end of July next.
