The Secretary,  
LONDON.

Dear Sir,

m.s. "AXEL JOHNSON".

With reference to your classing letter dated the 30th May relating to Gothenburg Report No.24059 on the above named vessel, we would confirm that requisite repairs were carried out to the sternframe and it is regretted that this was not made clear in the report. The repairs given under the heading "Rudder" on page 4 should read as follows:-

Sternframe removed, faired and replaced.

Gudgeon in sternframe placed in order (rebored).

Rudder head renewed.

Rudder shaft renewed.

Rudder plate renewed.

Rudder arms faired and placed in order as necessary.

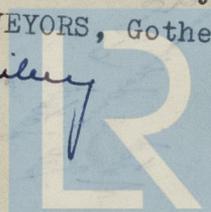

We shall be glad therefore if you will kindly make the necessary additions.

A further copy of the Test Certificate of the rudder head and shaft is enclosed herewith.

Yours faithfully,

THE SURVEYORS, Gothenburg
