Dear Sir,

M. t. "PUNTA ASPRA" (No. 75931 in Reg. Bk.)

We have been informed by the Owners, Messrs. Giuseppe Ravano S.p.A., of Genoa, that the above Vessel has been sold by them to Messrs. BITICI METALLI, of Genoa, for breaking up purposes.

We have got in touch with the shipbrakers in order to know where and when the work of demolition has been commenced, but they stated that at present they cannot yet give to us such an information.

We shall inform you as soon as the above information has been received by us.

Yours faithfully,

The Secretary,
LONDON
