QUESTION

ANSWER

I shall be glad if you will ascertain from the Owners and let me know what arrangements they propose making to carry out the Donkey Boiler Survey which became due at the end of March.

As this ship has not been examined in drydock since April, 1957, I shall be glad to learn what **early** arrangements are proposed for such an inspection to be held.

W.A.B.

Date:— 17th June, 1958

We have got in touch with the Owners who state that this Vessel is at present laid up in the Genoa harbour and that before the Vessel is put into commission again all the outstanding Surveys will be carried out.
