# LLOYD'S REGISTER OF SHIPPING

UNITED WITH THE BRITISH CORPORATION REGISTER

C 2128

Port BOMBAY

10th May, 1963.

This is to Certify that

R. McINTOSH,

the undersigned Surveyor to this Society did at the request of the Owners Agents attend onboard the

M.V. "CORNISH CITY"

7340 tons gross of Bideford

while she lay afloat in Bombay Harbour on 8th and 9th May 1963 for the purpose of ascertaining the condition of the ship for a contemplated voyage in tow as a hulk to a Far Eastern Port.

The weather decks, closing appliances and machinery spaces were examined also boiler under steam, generator, ballast and bilge pumps under working conditions. Selected bilges were tested and the sounding book examined over the period since the ship arrived in Bombay and no significant changes noted.

The ship was on 9th May 1963 in my opinion in a fit state to be towed as a hulk to a Far Eastern Port.

NOTE: The ship's Class is suspended for the voyage and responsibility for stability and towage arrangements rests with the Owners.
