LLOYD'S REGISTER OF SHIPPING

UNITED WITH THE BRITISH CORPORATION REGISTER

C 2123

Port BOMBAY

9th May, 1963.

This is to Certify that

R. McINTOSH,

undersigned Surveyor to this Society did at the request of
the Owners Agents attend onboard the

M.V. "CORNISH CITY"

7340 tons gross of Bideford

while she lay afloat in Bombay Harbour on 8th and 9th May
1963 for the purpose of ascertaining the condition of the
ship for a contemplated voyage in tow as a hulk to Hong
Kong or a Japanese Port.

The weather decks, closing appliances and
machinery spaces were examined also boiler under steam,
generator ballast and bilge pumps under working conditions.
Selected bilges were tested and the sounding book examined
over the period since the ship arrived in Bombay and no
significant changes noted.

The ship was on 9th May 1963 in my opinion in
fit state to be towed as a hulk to Hong Kong or a
Japanese Port.

The ship's Class is suspended for the voyage
and responsibility for stability and towage arrangements
rests with the Owners.
