LLOYD'S REGISTER OF SHIPPING

UNITED WITH THE BRITISH CORPORATION REGISTER

C 2103

Port BOMBAY

22nd March, 1963

This is to Certify that

R. McINTOSH

undersigned Surveyor to this Society did at the request of
the owners' representative attend onboard the

M.V. "GORNISH CITY"

7340 tons gross of Bideford

she lay at moorings in Bombay Harbour on 22nd March
1963 for the purpose of ascertaining her fitness to continue
to lie in Bombay Harbour until her future is determined.

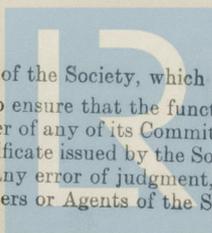

The sounding book was examined covering the period since
1st January 1963 when a previous survey was held and the
readings found to be acceptable showing no increase in the
bilges. The boiler was examined under steam and the bilge
pump tested on selected engine room bilges with satisfactory
results.

In view of the foregoing the ship is, in my opinion, in a fit
state to lie at anchor or moorings in Bombay Harbour for a
period of one month from this date i.e. until 22nd April 1963.

This is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
The Committees of the Society use their best endeavours to ensure that the functions of the Society are properly
to be understood that neither the Society nor any Member of any of its Committees is under any circumstances
to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in
the Register Book or other publication of the Society, or for any error of judgment, default or negligence of a
Member or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
