Dear Sir,

m.v. "Cornish City" - Aden Report 3432

I enclose reports 8 and 9A and a copy of Interim Certificate B issued for towage of the above vessel to Bombay, in accordance with instructions as per your letter of 19th December to above reference.

No interim certificate B1 has been issued and I should be glad to know if I am in order in this respect.

I duly made a factual statement to the Ministry of Transport surveyor. As he was somewhat upset by my first cabling for your permission and contended that I should make the statement and then cable for permission I should be glad to be guided on this for future occasions.

A Mr. D. Williams of Messrs. Holman, Fenwich & Willan, solicitors, of 1, Lloyds Avenue, EC.3., representing the West of England P. & I. Club, as Owners' Underwriters, approached me for answers to several questions regarding my observations etc., in the Engine Room.

I stated that on receiving permission I should be pleased to write to him and accordingly would be glad to hear from you on this matter and whether you wish me to forward any such correspondence firstly to yourself.

Yours faithfully,

*J.C. Edwards*
