Dear Sir,

~~13.3~~ "CLYDE GUARDIAN" - Newcastle Report No. 119089.
D "CAPITOL" - Newcastle Report No. 119177.

We have to confirm our telephone conversations with Mr. N. Hutchinson regarding the General Examinations held on the above vessels last year, and to advise you that, in both cases, the Surveyors concerned consider that the Special Surveys may be safely postponed to June, 1963 in the case of the "CLYDE GUARDIAN", and to September, 1963 in the case of the "CAPITOL".

We are, Dear Sir,
Yours faithfully,
THE SURVEYORS.
