Dear Sirs,

S.S. "CAPITOL"

I have your letter of the 19th instant and have today informed the Committee of your desire to retain this vessel in service until August or September next before undergoing Special Survey.

In reply I am pleased to inform you that in view of the survey that was held by the Society's Newcastle-upon-Tyne Surveyors last September the Committee are quite agreeable to this request.

The present Lead Line Certificate will expire on the 29th July next and if you desire a further certificate to cover the ship until the end of September, it will of course be necessary for a further Lead Line Survey to be held.

Yours faithfully,
