SHIPS' MANAGEMENT DIVISION

Secretary,
Lloyd's Register of Shipping,
Fenchurch Street,
London, E.C.3.

Dear Sir,

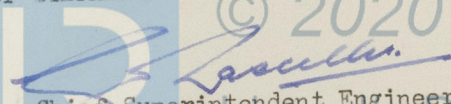

S.S. "CAPITOL".

Thank you for your letter of the 27th February
in reference to the Special Survey on the above ship.

Due to the recent winter and the depletion of
fuel stocks at the Gas Works, the North Thames Gas Board
would like to keep this ship operating until about
August/September 1963 before she undergoes Special Survey.

As the General Examination was carried out at
Newcastle in August last year, we hope the Committee will
agree to this procedure.

Yours faithfully,
For STEPHENSON CLARKE LIMITED.

Chief Superintendent Engineer.
