Secretary,
Lloyd's Register of Shipping,
Fenchurch Street,
London, E.C.3.

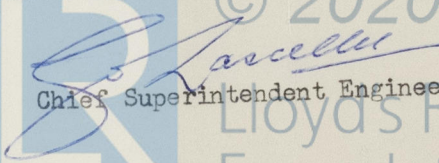

Dear Sir,

s.s. "CAPITOL".

With reference to our letter of the 11th
May, we have now been advised by the North Thames Gas Board,
members of s.s. "CAPITOL", that it is anticipated that the
ship will be surplus to their requirements after March,
1963.

We should be pleased to know if the
Committee would consider allowing us to carry out a
General Examination this year instead of a Special Survey.

Yours faithfully,
For STEPHENSON CLARKE LIMITED.

Chief Superintendent Engineer.
