Stockholm SÖ August 3rd. 1960

Classn. (S)

The Secretary,
LONDON

RECEIVED

6 - AUG 1960

And

Dear Sir,

We are in receipt of your letter of the 22nd ultimo relating to our report No. 12644 on the steamer "Orion", and in reply have to acquaint you the rudder stock had been faired in place when the vessel lay afloat at Härnösand but, according to the ship's Captain, the twist was very considerable, approximately 20° to 25°.

Yours faithfully
THE SURVEYORS, Stockholm
