

22nd July, 1960.

STOCKHOLM.

2631, 656, - As Recommended.

2646, "YRSA" - As recommended. It is concluded that you are in error in referring to the Special Survey (D), as the present survey is a Special Survey (C). In view of the extensive examination now carried out, I shall be glad if you will state whether any of the items now inspected may be credited towards the Special Survey.

In view of the satisfactory nature of the General Examination now held, the Committee have agreed to postponement of the Special Survey until July, 1961, and I shall be glad if you will inform the Owners accordingly.

2644 "ORION" - As recommended. You should state the twist in the ladder stock as this information is required for record purposes. At the same time, I shall be glad if you will give the date on which the crewshaft was examined.

NO 12634 "INDIANA" - As recommended. Please state whether the Survey book on board was fitted in and signed by you.
